WALNUT TREE

A quarter of a century has passed since we planted the first seeds and our roots started to germinate. Our sapling has blossomed into a sturdy Walnut Tree that sources and hand packs mouth watering quality delicacies.

Some of our customers have been with us since we began - thank you for your loyalty. To our newbies - we look forward to serving you for many years to come.

We are continuing to offer;

- * CUSTOMER TASTING PACKS: all orders over £500 will include a free food tasting pack, on request. This is the perfect way to promote Walnut Tree at your exclusive customer indulgence events.

- * EASY RE-ORDERING: you can re-order any of your currently stocked lines in units of six, making it easy for you to top up.

Our hand packed, in the UK policy guarantees you certainty over quality and reliability, and supports local employment and allied trades.

The exponential growth in vegan and vegetarian diets over recent years means more people are seeking healthy alternative gift foods. And for people with food intolerances or specific dietary requirements Walnut Tree offers products of distinction that will satisfy the needs of your most discerning clientele.

We also conscientiously recycle and up-cycle our factory waste materials. As well as re-using some materials as packaging material, we've forged partnerships with several local traders and a school which enables us to up-cycle the majority of our waste.

Many a stately home, palace or high quality store proudly champion our products under their names. So if you're looking for your brand to come to life, talk to us ... and let's make it happen.

Stores, shops, hampers, corporate gifts, hotel room gifts, garden centres, mail order, online shops - wherever you are, we have a product for you, with our brand or yours.

We look forward to serving all our customers for the next quarter of a century.

As part of our ongoing policy to help others, Walnut Tree continues to support UK based charities.

In the last year, we've donated; basic food ingredients to food kitchens so they can cook nutritious and tasty food for the homeless, festive gifts for victims of domestic violence and war trauma, and we're always delighted to give raffle prizes for fundraising events.

We've also found a charitable avenue in a local school. They take our superfluous paper - including our gold and shiny card - and pupils use their creative skills and imagination to transform it into something wonderful.

Whatever the cause, we're fortunate enough to be able to donate.

To quote Winston Churchill:

**“We make a living by what we get,
but we make a life by what we give”.**
